Dear Friends, Neighbors & Partners,

In this Annual Report you will see snapshots of the programs and the staff, supporters, volunteers and guests who worked hard to make “it happen” this year.

We celebrate the roles we all play including our friends, neighbors and partners. It is this collaboration that allows The Haven of Grace to provide a safe, nurturing home, educational programs and long-term support for mother and child.

We are more than just members of this community. We have a vested interest in its success. For many young mothers in our neighborhood the shelter and transitional apartments really are “A Haven.”

As we strive for a better tomorrow, we remain grateful that you are at our side today. Thank you for investing in the futures of our children and families through our work. Your belief in them, and your trust in us, move us forward. Thank you.

Blessings to you and yours in 2016,

Michael Moisio
